

Casserole, Chris's Breakfast

Ingredients:

7 frozen hashbrowns
8 large eggs
3/4 cup milk
1 medium onion, diced
1/2 cup bell pepper, diced
3/4 lb. (or 7 sausage patties), used Swaggerty's Farm brand
1-1/2 cups grated cheese

In the egg mixture:

1/2 tsp salt
1/4 tsp black pepper

Instructions:

Brown the hashbrowns as directed on the package. Fry and separate the sausage. Mix eggs with milk, salt, pepper, onion, and bell pepper. Spray a large casserole dish with spray. Layer the hashbrowns, then half of the cheese. Pour the egg mixture over, add the sausage, and top with the remaining hashbrowns and cheese. Bake at 350°F for 1 hour until set.

Note: Pierce the casserole with a large spoon and pull it back to see if all the liquid from the eggs is set. Do not serve with raw eggs. It could take longer to cook in your oven.
