

Banana Nut Pound Cake

4 BANANAS
4 EGGS (room temperature)
1/3 CUP VEGETABLE OIL
1 BOX OF YELLOW CAKE MIX
1/2 TSP. CINNAMON
1/2 TSP. NUTMEG
1 CUP CHOPPED PECANS
COOKING SPRAY
BUNDT PAN

Put bananas in a mixing bowl and mix well. Add eggs and oil, mix well, then add cake mix. Beat for 1 minute, then add cinnamon and nutmeg. Add 1 cup of chopped pecans. Mix for another minute. Spray cake pan with baking spray, then pour in cake mix and top with chopped pecans. Use micro-plane and dust with fresh nutmeg (optional). Bake at 350 degrees for 1 hour. Absolutely moist and delicious!

“Banana pound cake with a cake mix. Oh yeah, it is so moist and super easy. Get them bananas and get started on this one.”-
