

Green Stewed Cabbage

1 MEDIUM HEAD CABBAGE

1 KNORR BEEF OR CHICKEN BULLION

(IF VEGAN USE VEGETABLE BULLION)

1/2 STICK MARGARINE OR SALTED BUTTER

1 CUP WATER

Chop cabbage in 1-1.5 pieces. Rinse cabbage to clean. Heat water in microwave until boiling then add bouillon. Preheat large wok or skillet. Add butter and chopped cabbage. Now add water/bouillon. Toss occasionally while most of water cooks off. Cook until there is just a little broth left in the bottom of wok or skillet and serve as a side dish. Enjoy. Serves 6

So very Good! 😊
