

Grilled PB & J Sandwich

JIFF CREAMY PEANUT BUTTER
2 SLICES OF THICK SLICED LOAF BREAD
GRAPE OR STRAWBERRY JAM
SALTED BUTTER (ROOM TEMP.)

Butter pieces of bread evenly. Flip bread, butter side down, and on one non buttered side put a generous amount of creamy peanut butter.

On the other non-buttered side of bread spread with jam. **JAM WORKS BEST INSTEAD OF JELLY.** Jam is easier to spread as well.

Place both pieces butter side down in a non-stick pre- heated skillet on medium heat. Cook sandwich on a medium temperature until bottom (buttered) sides are golden brown. Take skillet off heat. Close sandwich and **ENJOY!**
