

Jell-O Yogurt Fruit Salad

- 16 OZ. PLAIN YOGURT**
- 3 OZ. SUGAR FREE JELL-O**
- 1/2 LB. ASSORTED COLOR GRAPES (SEEDLESS)**
- 3 ASSORTED COLOR APPLES (CHOPPED, NOT PEELED)**
- 1/2 CUP GOLDEN RAISINS**
- 1/2 CUP CHOPPED WALNUTS OR PECANS**
- 1/2 LEMON - JUICED**
- 1 15OZ. CAN MANDARIN ORANGES (DRAINED)**
- 1 10OZ CAN PINEAPPLE CHUNKS (DRAINED)**

First, drain your pineapples and oranges through a strainer and let them continue to drain while you make the rest of the salad. Then, place your yogurt and Jell-O in a large bowl and whisk well until Jell-O is distributed evenly with yogurt. Cut your grapes in half and place in the bowl with Jell-O & yogurt. Add remaining ingredients and toss to coat well. Best served immediately!

Optional:

Use a different Jell-O flavor or pudding mix to create different colors! For example, you can use a Jell-O instant vanilla pudding for a cream color base. You can also substitute regular Jell-O in place of Sugar Free.

Tammy's Tips: Do not make this a day ahead, and do not use strawberries, bananas, or any soft fruits in this salad!
