
Strawberry 70's Cake

Cake:**1 BOX OF WHITE CAKE MIX (MUST BE WHITE)****3 OZ. STRAWBERRY GELATIN****3/4 CUP OIL****1/2 CUP WATER****4 LARGE EGGS, ROOM TEMP.****1/2 HEAPING CUP OF STRAWBERRIES *See note
below**

Mix all ingredients and pour into a well-greased 1/4 sheet cake pan. Bake at 350 degrees for 30-35 minutes or until a toothpick comes out clean and the cake has begun to pull away from the edges of the pan. Leave in the pan and cool on a cooling rack.

Icing:**1/2 CUP SALTED BUTTER OR MARGARINE****3 1/2 CUPS POWDERED SUGAR****1/2 CUP STRAWBERRIES, STRAINED WELL.**

Mix the above ingredients together well. Make sure the strawberries are not too syrupy or the icing will be runny. Ice cooled cake in the pan.

***Strawberries**

Thaw 15 oz. frozen sliced strawberries in sugar OR use 1 1/2 cups fresh strawberries, slice thin and add 1/2 cup sugar. Microwave sugared berries for 2 minutes, then mash and chill.

"Best cake ever!!" -Tammy
